

The 6 Month Plan

the hack that actually works

Fill this out. Revisit every Sunday.

Started:

1 Pick 1–3 Goals

Not ten. Three, maximum. Money, career, a move — whatever matters most right now.

.....

.....

.....

2 Point A & Point B

Where you are right now, and where you want to be in 6 months. Be specific — numbers, not feelings.

POINT A — Today

Where I am right now

POINT B — In 6 Months

Where I want to be

3 Two Columns

Be honest — this is the column most people skip, and it's the one that matters most.

4 Plan + Schedule

Break it into steps. Mark off every week you show up — progress, not perfection.
